INTRODUCING

**2020-2021  
CO-PRESIDENTS**

**Kristan Levy**

Hello MOMs of Oakwood, killing it in the homeschool game. I'm Kristan, Mom to two sets of twins Caroline, Courtney, Arthur and Eleanor (7,7,5,5). You can probably hear me yelling from my yard. I previously co-chaired the Field Trip Committee for two years. I'm also the School Nurse at Harman. I miss all of your children so much! My favorite activities include McDonald's fountain Diet Coke, hiding from my children while making TikTok videos with my nanny and panicking when I see what my total is at the Target checkout. I am a former Miss Plus Ohio and have coached and competed in pageants my whole life. I was raised in Charleston, S.C. and I come from a long line of Ole Miss grads in Mississippi. I bought my house because it looks just like the one I grew up in and I love spending a fortune to repair 100 year old homes. I am a former Surgical ICU nurse and met my husband Paul in the ICU. He's a General Surgeon with the Kettering Network. If you see a super happy man dressed like a 1999 college bro in cargo shorts and flannel at Houk Stream teaching an army of children about nature, that's Paul. I'm excited to get to know you all and to work closely with you over the next year as we work together to optimize our plans while prioritizing our members' social needs and safely navigating our "new normal."

I'm Lindsay White, and I love old homes and charm and decorating is my jam. I am a native Daytonian. My grandparents founded the Century Bar, now sold, but I can still make my grandma's famous killer macaroni and cheese from back in the day. I met my husband, Nicholas, 11 years ago, and within 2 weeks we were engaged - crazy right!! My husband was active duty Army for 10 years. Before settling in Oakwood, 4 years ago, we could be found in Savannah GA, where we had our two Georgia peaches, Scarlett and Oliver. Scarlett is 7. She is kindhearted and so strong, a rising second grader at Harman. Oliver is 5, he is compassionate and enthusiastic, and ready to start kindergarten in the fall. I joined MOMs of Oakwood a few short months after we moved in and it's where I found my best neighborhood mom friends support. I co-chaired field trips then cooking club and sponsorship committee, and I'm excited to co-president and hit the ground running soon as we can throw an amazing event.
